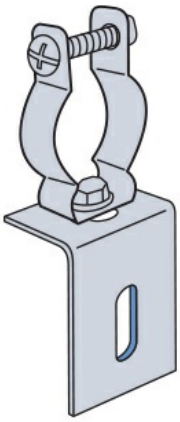
Cablofil
**Conduit Bracket Clamp**
Part No. P081490



The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Conduit clamps are purchased separately.

## Specifications

### General Info

| | | | |
|---|---|---|---|
| Product Line | Cablofil | Finish | EZ |
| UPC Number | 800388514492 | Country Of Origin | Mexico |

### Dimensions

| | | | |
|---|---|---|---|
| Product Width US | 1.5 in | Product Weight US | 0.313 lb |
| Product Volume US | 0.013 cu ft | Product Depth US | 6.125 in |
| Product Height US | 2.5 in | | |
