radiant Collection
Discontinued - NO SUB
Part No. RH703PW2PKCC4

Upgrade your space with precise dimming control and exceptional style. This dimmer from the radiant® Collection is optimized for use with incandescent bulbs and fixtures. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

For use with incandescent bulbs and fixtures on typical residential (and light commercial) wiring. Usable in both single-pole and 3-way applications.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

Features durable, high-impact resistant thermoplastic construction.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Eliminates the need to derate LED bulbs when in multi-gang situations

Low-profile paddle switch offers smoother On/Off control, while a separate, ergonomic slider allows you to adjust light levels with precision.

Constant memory features returns lights to their previous level after a power failure or outage.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Screw pressure plate back wire allows easier installation and fit into the wall box

For covering patents, see www.legrand.us/patents.

Specifications

General Info

Product Line	Pass & Seymour	Color	White
Finish	Matte	UPC Number	785007496697
Country Of Origin	China	Switch Type	Paddle
Number of Switches	1	Application Sector	Residential
Warranty Type	Limited Lifetime Warranty	Type	Dimmer

Technical Information

Number of Gangs	1	Amperage	15 A
Bulb Compatibility	Incandescent	Number of Poles	3-Way, Single Pole
Wire Size	#14 - #10 AWG	Wattage	700 W
Mounting Type	Box	Supply Voltage	120 VAC
Voltage	120.0 V
