## Wiremold
**25DTC Series Blank Steel Poles**
Part No. 25DTC-412DG

25DTC Series Blank Poles handle all of your needs effortlessly, whether it's power, data, or A/V wiring you need to bring down to the desk, workstation, or cash registers, while being aesthetically pleasing with multiple color options. The vertical drop poles give you the flexibility and capacity to devote both sides of the pole for single service or separate the two channels to provide dual service feeds. For modular office furniture, our poles easily provide the hook up to feed office partitions.

## Features & Benefits

Easy to install. Bring power, data, and A/V services into open space environments quickly & easily. Reduces costs for moves adds and changes.

Dual-channel. Allows a single drop point for access to multiple services.

Multiple color options. Available in four aesthetic colors: white, black, ivory, and gray.

Datacom connectivity options. Accepts industry standard and proprietary devices from a wide range of manufacturers to provide a seamless,aesthetically pleasing interface for voice, data, audio, and video applications at the point of use.

Custom capabilities. Modify receptacle type and location, change color finish, alter pole heights, add fixture whips and more.

Relocatable. Ready for service in 30 minutes or less. Can be quickly reconfigured or relocated as work space uses and service needs change.

Wide selection of standard options. Stocked in a variety of materials, finishes, and heights.

Multiple color options. Available in four aesthetic colors: white, black, ivory, and gray.

Pole extenders combine quick installation with easy job-site handling. Snap together 5' sections to create a pole or extend the length of your existing 25TP series pole. These new extenders accommodate a variety of ceiling heights, can ship UPS or air freight for quick & reliable delivery.
