

On-Q
Discontinued - Bracket 6.5-in speaker mounting bracket (in-wall)
Part No. 36467402

These speaker brackets are optimized for an easy and flexible installation. They employ shatter proof aluminum wings that have an integrated adjustment channel built in and pre-wiring loops to aid in finding the speaker wire at finish time, keeping it out of the way of the dry-wall saw. All pre-construction brackets also come with center markings for easy alignment with other devices in the ceiling.
