Cablofil

WMC2LAEZ (WMCT to Ladder Clip) [943492]

Part No. 943492

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Allows wire mesh cable tray to be attached to the side rails of any ladder tray.

A pre-installed setscrew secures the junction for a permanent installation

Specifications

General Info

Product Line	Cablofil	Finish	Electrozinc
UPC Number	800388028081	Country Of Origin	United States
Standard	UL Classified	Type	Accessories

Dimensions

Product Width US	1.25 in	Product Weight US	0.28 lb
Product Volume US	0.002 cu ft	Product Depth US	2.75 in
Product Height US	1.0 in
