

The On-Q DIN Rail bracket is a "top hat" DIN Rail supporting IEC/EN 60715 standard with 35mm width and 7.5mm height. The On-Q DIN Rail is capable of mounting directly into the On-Q low-voltage Plastic Enclosure family of products. The 6 inch, half width design allows for more versatility within the enclosure. The On-Q DIN Rail pairs well with the Nuvo P600 DIN Rail Players to create an enclosure-mounted whole home distributed audio system. Please refer to the NV-PDINKIT for additional components to complete this distributed audio solution.

Features & Benefits

Tool-free mounting in vertical or horizontal configurations	Top Hat design supporting IEC/EC 60715 standard with 35mm width and 7.5mm height
Half Width design provides greater mounting flexibility when building enclosure configurations	One DIN Rail supports the mounting of up to 3 Nuvo P600 Players

Specifications

General Info

Product Line	On-Q	Color	Nickel
Hazardous Materials	No	UPC Number	804428434535
Country Of Origin	Taiwan, Province Of China	Application Sector	Residential
Standard	RoHS (Restriction of Hazardous Substances Directive 2002/95/EC)	Type	Mounting Bracket

Technical Information

Mounting	DIN Rail	Environmental Conditions	0 to 90% (relative humidity, non-condensing)
