

adorne Collection
Discontinued - adorne® Interior Intercom Unit
Part No. AI6000M1

The adorne interior intercom unit works in tandem with one exterior video doorbell camera to see who's at the front door from multiple locations in your home.

View our [FAQ](#) page to learn more.

Features & Benefits

Receives images from the Exterior Video Doorbell Camera for a convenient view of the front door.

Communicates via audio with any other Interior Intercom Units installed throughout the home (system limit of three).

Mount the unit to the surface of a wall, or simply place upright on a tabletop using the easel back.

Includes power cable. Must be plugged into an existing outlet. It can be surface-mounted to the wall, or placed on a tabletop through use of the integrated easel back.
