

adore Collection
Discontinued - adore® 1-Gang Control Box (No Devices), Titanium
Part No. APCB4TM1

Add the lighting control or power access for your adore Under-Cabinet solution by connecting to the existing in-wall wiring. Easily customize with adore devices of your choosing, for clean counters and more functional space, all without interrupting your backsplash. 2-Gang Control Box also available.

Features & Benefits

Perfect for eliminating clutter and creating a more functional kitchen counter space	Keeps countertops free of the hazards and mess of wires
Connects to existing in-wall wiring. Add adore switch, outlet or dimmer devices to power your customized Under-Cabinet Lighting and Power System	Single-pole operation is ideal for controlling a garbage disposal or adore LED Linear Lights
Designed for professional, hard-wired installations	Once installed, this item is designed to fit onto the adore Modular Track
