adorne Collection

**adorne® Short Modular Track**

Part No. APST9TM1

Perfect for shorter cabinet sections, this under-cabinet track includes a standard outlet – no control box required. Part of the adorne Under-Cabinet Lighting and Power system.

## Features & Benefits

- Perfect for eliminating countertop clutter and creating a more functional kitchen counter space
- Designed for use beneath shorter cabinet sections
- Originates at 10 inch in length, but can be cut down to 8 inch to fit a smaller cabinet section
- Enables direct wire connection to wiring behind the wall. Cannot be connected to any other modular track segment
- Includes one outlet module and can support one Linear LED light
- Installs in 30 minutes or less
