

adorne Collection
adorne® 15A Energy-Saving On/Off Outlet, Graphite
Part No. ARPS152G4

Add stunning, modern style with this outlet from the adorne Collection, while conserving energy when it's not in use. It allows you to stop the flow of power whenever you don't need it, for easy energy management. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

GETTING STARTED: For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

Cut power to the outlet when not in use to conserve energy.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
