

adorne Collection
Discontinued - adorne® 15A Wi-Fi Ready Outlet, Graphite
Part No. ARPS15RF2G4

Upgrade a standard outlet for style and added control with this Wi-Fi Ready Outlet from adorne. Pair the outlet with a Wi-Fi Ready Remote Switch for multi-location control of a table or floor lamp plugged into the outlet. The Wi-Fi Ready Outlet features an on/off switch to conserve energy when not in use, and is tamper-resistant to help keep children protected. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

Pairs with the Wi-Fi Ready Remote Switch for multi-location control of a plugged in lamp or small appliance.

Part of the adorne Wi-Fi Lighting Control solution, this product requires an adorne Hub.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
