

Features & Benefits

Heavy duty Nylon body is resistant to impact and corrosion

Available in straight, 90: , and underground feed styles

Rugged construction suitable for various industrial applications such as MRO, food processing, water/waste water, marine, pulp & paper, and petrochemical

Rubber grommet provides a liquid-tight seal and reduces cord pull-out while resisting chemicals

Color coded grommets make for easy identification and ease of installation

Specifications

Ger	neral	Info

Product Line	Pass & Seymour	UPC Number	785007057478	
Country Of Origin	Mexico	Construction	Nylon Cord Grip	
Application Sector	Commercial/Industrial	Standard	UL Listed	
Listing Agencies / 3rd Party Agencies				
CSA Listed	Yes			
Technical Information				
Maximum Cable Range	0.187 in	Minimum Cable Range	0.25 in
