

Features & Benefits

Heavy duty Nylon body is resistant to impact and corrosion

Rubber grommet provides a liquid-tight seal and reduces cord pull-out while resisting chemicals

Available in straight, 90°, and underground feed styles

Color coded grommets make for easy identification and ease of installation

Rugged construction suitable for various industrial applications such as MRO, food processing, water/waste water, marine, pulp & paper, and petrochemical

Specifications

General Info

Product Line	Pass & Seymour	Country Of Origin	Mexico
Construction	Nylon Cord Grip	Application Sector	Commercial/Industrial
Standard	UL Listed		

Listing Agencies / 3rd Party Agencies

CSA Listed	Yes
