The Trio Combo Module with Cat5e Data is designed to distribute video (Coax), voice (Telephone) and data (Ethernet) services from a single compact structured wiring module throughout the home.

The Trio Combo module includes an MDU Mounting

Features & Benefits

Includes an MDU Mounting Bracket (AC1042), an 8-way 2 GHz Video Splitter (VM0208), 6-way Phone Module (TM0106) and 6-way Cat 6 Data Board (AC0606)

Compact design maximizes space and service distribution options within the enclosure

Video Splitter is rated to 2 GHz and supports up to 8 locations

Phone Module supports punchdown termination of up to 6 locations and includes RJ31x line seizure port

Data Board supports punchdown termination of up to 6 Cat5e data lines for easy interface with the home network

Strategically placed cable tie locations keeps wiring terminations tidy

Specifications

General Info

Product Line	On-Q	UPC Number	804428433125
Country Of Origin	Taiwan, Province Of China		

Additional Information

RoHS Conformant	Yes
