Legrand
Field Wired deQuorum Single Flip-Up Unit
Part No. DQFF15BK

Field wired unit includes one (1) 15A black tamper-resistant duplex receptacle. Comes with a brushed stainless steel finish.

Features & Benefits

Sleek, Attractive Design &ndash: Slimmer, lower profile integrates well with table surfaces to enhance conference rooms, meeting rooms, hotel rooms, kitchens, and offices.

Tamper-Resistant Receptacles &ndash: Meets 2011 NEC TamperResistant requirements. Receptacles feature our patented shutter system that prevents the insertion of foreign objects for safety.

New Soft Opening Cover Mechanism &ndash: Opening and closing the cover is quieter and easier with a more professional feel.

Expanded Configuration Options &ndash: Accepts full size receptacles which provides expanded custom flexibility. Consult factory for more information.

UL Spill Water Protection &ndash: Meets or exceeds UL 111 - Outline of Investigation for Multioutlet Assemblies. Eliminates risk of shock or short circuiting due to moisture entering device.

USB Charging Capability &ndash: Duplex 3.1A USB receptacles provide charging capacity for a wide range of mobile devices.

Multiple Cover Finish Options &ndash: Durable black powder coat and brushed stainless steel finishes blend with most decors.

cULus Listed &ndash: Meets UL US and Canadian Safety standards for Multioutlet Assemblies (File E15191, Guide PVGT).
