

Wiremold EVO 45 50A MODULE

Part No. EFB45-50A

Evolution™ Series Floor Boxes are the latest advancement in the most complete and innovative line of floor solutions in the industry. In addition to a unique design that allows the same floor box to be used in multiple floor applications, high capacity and multifunctional capabilities make Evolution Series Floor Boxes ideal for areas where large capacity audio/video, power and communication services are needed. Ranging in size from 2- to 4-gangs of capacity, these boxes have completely finished interiors with removable modules that provide easy access for reconfiguring services. Evolution Series Floor Boxes are an ideal option for installations where services are constantly evolving, such as commercial offices, conference rooms, stages, and entertainment venues.
