On-Q

Discontinued - 30-in Plastic Enclosure Only

Part No. ENP3080

Constructed with a robust, wireless transparent ABS plastic material, this lightweight enclosure is designed to integrate wireless devices into traditional structured wiring installations. The enclosure mounts easily for both surface and recessed appl

Features & Benefits

Made with ABS plastic, the enclosure is designed to integrate wireless devices without interference

Universal mounting grid maximizes compatibility with 3rd party products without additional brackets.

Installs into a single stud bay and has staggered mounting tabs to allow multiple enclosures to mount in adjacent stud bays.

Tapered design allows enclosures to stack for efficient transportation and warehousing.

Top surface includes five 2'' knockouts: rubber grommets available for purchase (AC1034).

Bottom surface includes two AC receptacle box knockouts and two knockouts allowing vertical stackability.

UL listed.
