radiant Collection
Discontinued - radiant Smart Switch with HomeKit Technology
Part No. HKRL10WH

Legrand Lighting Control for HomeKit offers an easy, secure way to control lights, outlets, thermostats and more, all from your iPhone or iPad. Part of the radiant® Collection, it features clean lines and smooth paddle action for a sophisticated touch. Part of the Legrand family of products fully enabled to interface with Apple HomeKit, this in-wall Smart Switch installs easily in place of a standard switch (neutral wire required). Simply ask Siri to control the lights, or use the Apple or Legrand Home apps to create scenes, group rooms and more.

Features & Benefits

Easily replaces a home's standard switch, neutral wire required.

For remote and automated control, device requires an Apple TV with tvOS11 or later, an iPad with iOS 11 or later, or a HomePod set up as a home hub.

Pairs with the radiant® Smart Remote Switch with HomeKit Technology for multi-way control of a light or fixture.

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look.

Works with Apple HomeKit Technology for control through iOS devices. Even ask Siri to turn on the lights.

Use Legrand Home app for scenes, room grouping, automation triggers and more.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.
