

radiant Collection
Discontinued - radiant® Smart Remote Dimmer with HomeKit Technology, White
Part No. HKRL60WH

Legrand Lighting Control for HomeKit offers an easy, secure way to control lights, outlets, thermostats and more, all from your iPhone or iPad. Part of the radiant® Collection, it features clean lines and smooth paddle action for a sophisticated touch. Part of the Legrand family of products fully enabled to interface with Apple HomeKit, this remote dimmer installs easily (neutral wire required) and works with an installed Smart Tru-Universal Dimmer with HomeKit Technology for precise light level control from multiple on-wall locations. Plus, you can also simply ask Siri to adjust the lights, or use the Apple or Legrand Home apps to create scenes, group rooms and more.

Features & Benefits

Pairs with the radiant® Smart Tru-Universal Dimmer with HomeKit Technology for multi-way control of a light or fixture.

Easily replaces a home's standard switch, neutral wire required.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look.
