

# Wattstopper DLM 3-Button Switch Color Kit, Light Almond

Part No. LMSW-KIT-103-LA

LMSW-100 Series Wall Switches are low voltage devices for energy-saving manual on/off control of one or more loads from one or more locations. They are part of a Digital Lighting Management (DLM) system and can control any load(s) connected to DLM room controllers.

## Features & Benefits

Low voltage pushbutton switches for control of multiple loads

Plug to other components using Cat 5e cables with RJ45 connectors eliminating wiring errors

IR transceiver for wireless configuration and remote control

Components of Digital Lighting Management integrated control system

Customizable buttons with LED status indicators

Plug n' Go automatic configuration and Push n' Learn for personalization

## Specifications

### General Info

UPC Number 754182928392 Country Of Origin China	Product Line	Wattstopper	Color	Light Almond
	UPC Number	754182928392	Country Of Origin	China

### Additional Information

Product Environmental Profile Yes
