Wattstopper
L-Plate Industrial Mounting Bracket for Sensors
Part No. MB-1

The MB-1 and MB-2 are durable mounting brackets used to install occupancy sensors in a variety of settings. Both brackets include adjustable plates that allow sensor rotation to achieve the desired angle for optimal coverage. The brackets also include built-in bubble levels that afford the installer reliable guides to ensure the bracket is correctly positioned before adjusting the sensor. The MB-1 and MB-2 are constructed of aluminum with a clear powder coating finish.

Features & Benefits

- Brushed aluminum construction
- HID fixture bracket (MB-2)
- Compatible with most Wattstopper occupancy sensors
- Mounting plates adjustable to preset angles
- Multiple mounting options with MB-1
- Built-in bubble level for accurate installation

Specifications

General Info

Product Line	Wattstopper	UPC Number	754182782017
Country Of Origin	China	Application Sector	Industrial

Dimensions

Product Width US	3.0 in	Product Weight US	0.55 lb
Product Volume US	115.5 cu in	Product Depth US	11.0 in
Product Height US	3.0 in		

Technical Information

Compatibility	Wattstopper Occupancy Sensors	Bracket	Sensor Mounting Bracket
