

radiant Collection
radiant® Full Night Light, Tri-Color
Part No. NTLFULLTC

Make nighttime navigation easier with a sleek, sophisticated built-in night light from the radiant® Collection. Ideal for hallways and nurseries, this Full Night Light installs easily in place of a standard outlet to save you from stumbling in the dark or transitioning to too bright overhead lights. Features five adjustable light levels, as well as an optional louver for additional light-level control. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Easily replaces any standard outlet to provide a stylish built-in night light.

Features five adjustable light settings: Ultra Low, Low, Medium, High and OFF.

Hidden sensor controls night light based on ambient light, automatically turning on when it is dark.

Features durable, high-impact resistant thermoplastic construction.

More color options available to fit any style.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
