

## Cablofil Peaked Cover Connectors Strap-Style

Part No. P607600

For use with indoor, outdoor, or vertical flat covers.

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Top and bottom pieces are 1 1/2" wide.

## Features & Benefits

Specifications			
General Info			
Product Line	Cablofil	Finish	Pre-Galvanized
UPC Number	800388528598	Country Of Origin	Mexico
Dimensions			
Product Width US	27.0 in	Product Weight US	2.579 lb
Product Volume US	0.217 cu ft	Product Depth US	1.5 in

## Buy American Act Compliance
