

Cablofil Peaked Cover Connectors Strap-Style Part No. P642709

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Top and bottom pieces are 1 1/2" wide.

Features & Benefits

For use with indoor, outdoor, or vertical flat covers.

Specifications

General Info

Product Line	Cablofil	Finish	Hot Dipped Galvanized
JPC Number	800388531772	Country Of Origin	Mexico
Dimensions			
Product Width US	18.5 in	Product Weight US	2.87 lb
Product Volume US	0.13 cu ft	Product Depth US	1.5 in
Product Height US	8.107 in		

BAA

Yes
