For compatible wall plate options, from our TradeMaster unbreakable plates to our

radiant screwless plates to our metal wall plates, click here.

Features & Benefits

.032 inch thick, brass, triple-wipe power contacts for lasting retention.

No exposed terminals create a finger safe application before, during, and after installation.

Dual mechanical shutter system to help prevent insertion of foreign objects (TR models).

Auto-ground clip assures positive ground.

Plated steel wrap strap design for maximum durability and corrosion resistance.

Built-in connector features large brass terminal blades to ensure consistent, reliable electrical connections.

Permanent controlled markings on face of receptacle compliant with ASHRAE 90.1, CA Title 24, and NEC.

Half-controlled versions include welded, pre-wired lead that control top half of receptacle for split circuit applications.

Specifications
