

Wattstopper Discontinued - PIR Wall Switch Occupancy Sensor, 120/277V, Ivory

Part No. PW-100-I

The PW-100 passive infrared (PIR) wall switch sensor can turn lights OFF and ON based on occupancy. It is characterized by high sensitivity to small and large movements, appealing aesthetics, and a variety of features.

Features & Benefits

High sensitivity and dense coverage for exceptional performance

Color-matched lens and low profile for appealing design

Defaults to Manual-ON operation for maximum energy savings.

No neutral wire required

Selectable operation, walk-through, test and presentation modes for increased energy savings and convenience

Defaults to Manual-ON operation for maximum energy savings.

Specifications

General Info

Product Line	Wattstopper	Replaced by Part Number	PW-301-I
Color	lvory	UPC Number	754182919284
Country Of Origin	China	Features	IR (Infrared), Motion Sensor
Switch Type	Motion Sensor	Application Sector	Commercial
Warranty Type	5-Year		
Dimensions			
Product Width US	4.0 in	Product Weight US	0.3 lb
Product Volume US	43.0 cu in	Product Depth US	5.0 in

2.15 in				
Additional Information				
Yes	DesignLights Consortium Qualified System	Yes
