

Legrand

radiant® Single-Pole/3-Way Switch with 15A Tamper-Resistant Outlet
Part No. RCD38TRGRY

A step up from ordinary, this combination switch and outlet from the radiant® Collection provides convenience and flexibility, as well as style. Operable in both single-pole and 3-way applications, you can use it alone to control one light or fixture, or use with another 3-Way switch for controlling the light from two locations. Also includes a tamper-resistant outlet for safe access to the basic power every home needs. Part of the radiant® Collection, it features clean lines and a smooth finish for a sophisticated look. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces a standard switch/outlet with ease, in as little as 10 minutes.

Offers installation flexibility, working in both single-pole and 3-way applications.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

Features durable, high-impact resistant thermoplastic construction.

More color options available to fit any style.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
