radiant Collection
radiant® Tru-Universal Dimmer with Microban®
Part No. RH703PTUWAMCC4

This dimmer features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product. Upgrade your space with superior dimming control and exceptional style. The radiant® Tru-Universal Dimmer works with virtually any 120V dimmable bulb or fixture (excludes 0-10V), adjusting to the precise light level you want, without the flicker. Unsure what dimmer your bulb needs? Avoid uncertainty with Tru-Universal Dimming. Part of the radiant® Collection, it also features clean lines and smooth control for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately. This product is not currently available for sale in Canada.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

Self-calibrates when you select your fixture's lighting type, automatically setting the appropriate minimum voltage to eliminate flicker and poor performance.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

No derating* required in multi-gang applications. *Reducing the maximum wattage a dimmer can handle. This is sometimes required for multi-gang applications.

Complete the look with a sleek, screwless radiant® Wall Plate (also available with Microban), and coordinate with other designer switches and outlets available from the radiant® Collection.

Works with virtually any 120V dimmable bulb or fixture on typical residential (and light commercial) wiring. Usable in both single-pole and 3-way applications.

Low-profile paddle switch offers smoother On/Off control, while a separate, ergonomic slider allows you to adjust light levels with precision.

Constant memory features returns lights to their previous level when turning back on or after a power outage.

Features durable, high-impact resistant thermoplastic construction.

Specifications
