

The RT-50 Preset Countdown Time Switch automatically turns lighting or other loads off when the selected on-time expires. It replaces standard single-pole wall switches for energy savings throughout a range of applications.

## Features & Benefits

|   |  |
|---|--|
| Seven-button preset time switch   | Replaces single-pole switch                                  |
| Selectable on-time: 1, 5, 10, 20, 30, 60 minutes                          | Lighted switch for visibility in darkened rooms              |
| Zero crossing reduces stress on the relay and increases product longevity | No current leakage to load in off mode for safety            |
| Relay-based switching   | Relay-based switching  |
| Pushbutton switch for automatic-off control                               | Ideal for closets, laundry rooms, pantries and storage areas |
| Easy operation and precise time countdown                                 | Choice of six preset on-times from 1 minute to 60 minutes    |
