

Pass and Seymour
Deep Screw Mount Steel Stud Box with Quick/Click
Part No. S122RS

Deep Single-Gang Switch and Outlet Box with Quick/Click and captive combo-head self-tapping mounting screws on each end. Two Quick/Entries on each end. E

Features & Benefits

Quick/Entry feature speeds installation by eliminating need for tools, allows you to push stripped or unstripped non-metallic cable into a single gang plastic box without removing knockouts.

Screws have combination Hex/Phillips washer heads.

Can be used for steel, aluminum, or wood studs.

Locator ribs ensure proper alignment on stud and proper offset depth.

Specially designed drill point rapidly penetrates medium gauge steel studs.

Quick/Click feature on wall boxes offers fast and dependable installation of devices.

Molded of high-impact thermoplastic.
