Wiremold

Discontinued - Desktop Power Center Work Surface Bracket

Part No. WSCBRKT

Bracket for secure mounting of the WSC320-S Desktop Power Center. Includes five (5) wood screws to fasten the bracket to the work surface to deter theft.

Features & Benefits

Easy to Install - Includes five (5) wood screws that do not require pilot holes.

Added Security - Additional screws help hold the Power Center in place, preventing it from being removed without first unfastening the bracket.
