

Features & Benefits

Heavy duty Nylon body is resistant to impact and corrosion	Rubber grommet provides a liquid-tight seal and reduces cord pull-out while resisting chemicals
Available in straight, 90: , and underground feed styles	Color coded grommets make for easy identification and ease of installation
Rugged construction suitable for various industrial applications such as MRO, food processing, water/waste water, marine, pulp & paper, and petrochemical	

Specifications

General Info

Product Line	Pass & Seymour	Country Of Origin	Mexico
Application Sector	Commercial/Industrial	Standard	UL Listed, RoHS

Technical Information

Maximum Cable Range	0.75 in	Minimum Cable Range	1 in
