

Pass and Seymour

Discontinued - Watertight Nylon Strain Relief Cord Grip, 1-in NPT Straight, .625-.750 OD Range, Nylon Mesh
Part No. WT100625NM

Features & Benefits

Heavy duty Nylon body is resistant to impact and corrosion

Available in straight, 90°, and underground feed styles

Rugged construction suitable for various industrial applications such as MRO, food processing, water/waste water, marine, pulp & paper, and petrochemical

Rubber grommet provides a liquid-tight seal and reduces cord pull-out while resisting chemicals

Color coded grommets make for easy identification and ease of installation

Specifications
